Student & Family Support

The ECISD website will be a one stop shop for assistance for family, student and staff social, emotional needs. The site will contain one pagers and short videos from the Guidance & Counseling Department, Nursing Services and the Community Outreach Center and others. Information will be in one area and will be communicated out via all available outreach forms including social media and district communication tools.

The ECISD Family Support Line (456-HELP) will be available as needed to help with social and emotional needs.

The Texas truancy laws continue to be in effect requiring compulsory school attendance. Truancy Prevention Measures will be implemented by all campuses. Truancy laws will apply to students who fail to attend school, but remote attendance satisfies attendance requirements. Campuses will provide documented (Eduphoria) systematic interventions and contacts for those students with excessive absences. Students will be required by state law to attend school at least 90% of the days offered in order to receive credit.

Counseling will be provided face-to-face, by phone and virtually.

Social-Emotional support and activities will be provided to Pk-12 grade.
