WITNESSETH:

Now, therefore, the Board and the Superintendent, for and in consideration of the terms hereinafter established and pursuant to Chapter 21 and Section 11.201 of the Texas Education Code and the general laws of the State of Texas, have agreed, and do hereby agree as follows:

I. Term

1.1 The Board, by and on behalf of the District, does hereby employ the Superintendent, and the Superintendent does hereby accept employment as Superintendent of Schools for the District. The term of this Contract begins on July 1, 2019 and ends on June 30, 2024. The Contract Year shall be July 1 through June 30. The District may, by action of the Board, and with the consent and approval of the Superintendent, extend the term of this Contract as permitted by state law. However, there is no requirement or duty for the Board to extend this Contract.

II. Employment

2.1 Duties. The Superintendent is the educational leader and chief executive of the District and shall faithfully perform the duties of the Superintendent of Schools for the District as prescribed by state law, Board policies, in the job description and as may be lawfully assigned by the Board. Specifically, it shall be the duty of the Superintendent to recommend for employment all professional employees of the District subject to the Board’s approval. It shall be the further duty of the Superintendent to employ all other personnel consistent with the Board’s policies. It shall be the further duty of the Superintendent to direct, assign, reassign, and evaluate all of the employees of the District consistent with Board policies and federal and state law. It shall be the further duty of the Superintendent to organize, reorganize, and arrange the staff of the District, and to develop and establish administrative regulations, rules, and procedures which the Superintendent deems necessary for the efficient and effective operation of the District consistent with the Board’s lawful directives, the Board’s policies, and state and federal law. It shall be the further duty of the Superintendent to accept all resignations of employees of the District consistent with the Board’s policies, except the Superintendent’s resignation, which must be accepted by the Board. The Superintendent shall comply with all lawful Board
directives, state and federal law and regulations, and district policies, rules and regulations as they exist or may hereafter be amended or adopted during the term of this Contract. Except as provided in this Contract, the Superintendent agrees to devote his full time, energy and skill to the performance of the duties of the Superintendent of Schools for the District using reasonable care, diligence, and expertise. All duties assigned to the Superintendent by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent. The parties agree that the list of duties described herein is not exhaustive, and to the extent of any inconsistency, the latest applicable law and lawful Board actions shall prevail as to required duties.

2.2 Professional Certification. The Superintendent shall at all times during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a superintendent by the State of Texas and issued by the State Board for Educator Certification or the Texas Education Agency and any other certificates required by law.

2.3 Reassignment. The Superintendent is employed specifically and solely to perform the duties of Superintendent of Schools for the District. The Superintendent cannot be reassigned from the position of Superintendent to another position without the mutual express written consent of the Superintendent and the Board.

2.4 Board Meetings. The Superintendent shall attend all meetings of the Board, both public and closed, with the exception of those closed meetings devoted to the consideration of any action or lack of action on the Superintendent’s Contract or the Superintendent’s salary or benefits as set forth in this Contract or the Superintendent’s evaluation and performance, to interpersonal relationships between individual Board members, or when the Board is acting in its capacity as a tribunal to hear and resolve any complaint. In the event of illness or Board-approved absence, the Superintendent’s designee shall attend such meetings.

2.5 Indemnity. To the extent it may be permitted to do so by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District does hereby agree to defend, hold harmless, and indemnify the Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys’ fees incurred in any legal proceeding against the Superintendent in his individual capacity or his official capacity for any act or failure to act involving the exercise of judgment and discretion within the normal course and scope of his duties as Superintendent of the District, to the extent and to the limits permitted by law. This paragraph does not apply if the Superintendent is found to have committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith, with conscious indifference or reckless disregard, or with intent to violate a person’s clearly established legal rights, or engaged in criminal conduct. Excluded are any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract, held either by the District or by the Superintendent. The selection of the Superintendent’s legal counsel shall be with the mutual agreement of the Superintendent and the District if such legal counsel is not also District’s legal counsel. The District may, at its sole option, comply with this paragraph by purchasing appropriate insurance coverage.
for the Superintendent or by including the Superintendent as a covered party under any errors and omissions insurance coverage purchased for protection of the Board and District professional employees, in which case the Superintendent's right to agree to legal counsel provided for him will depend on the terms of the applicable insurance contract. No individual Board member shall be personally liable for indemnifying and defending the Superintendent under this paragraph. The Board shall not be required to pay any costs of any legal proceedings in the event the Board and the Superintendent are adverse parties to each other in any such proceedings. The District's obligation under this Section shall continue after the termination of this Contract for qualifying acts or failures to act occurring during the term of this Contract or any extension thereof. During the term of this Contract, the Superintendent shall fully cooperate with the District in the defense of any and all demands, claims, suits, actions and legal proceedings brought against the District. Following termination of the Contract, the Superintendent shall reasonably cooperate with the District in the defense of any and all demands, claims, suits, actions and legal proceedings brought against the District. The Superintendent's obligation under this Section shall continue after the termination of this Contract at no cost to the District, other than reimbursement to Superintendent for his documented reasonable and necessary out-of-pocket expenses, plus reimbursement of any salary lost by Superintendent by virtue of his taking time off from his then current employment to reasonably assist the District at its request. If the Superintendent is not employed at the time of the request, the District shall compensate the Superintendent at his Daily Rate (defined below). To the extent this Section 2.5 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, it shall be construed and modified accordingly.

2.6 Consulting. During the term of this Contract, the Superintendent may serve as a consultant or undertake speaking engagements, writing, teaching or other professional duties and obligations outside the District (referred to collectively herein as "Consulting Services") that do not conflict or interfere with the Superintendent's professional responsibilities to the District with the prior consent of the Board. The Superintendent may accept a reimbursement of expenses for such Consulting Services at no expense to the District. The Superintendent will not engage in any consulting activities for a fee, or in any outside employment without the prior consent of the Board. The Superintendent will comply with all state laws, District policies, rules and regulations regarding conflict of interest and fraud as they exist or may hereafter be amended or adopted during the term of this Contract.

The Board, individually and collectively shall refer in a timely manner all substantive complaints from staff and/or third parties to the Superintendent for review and appropriate action. The Superintendent will either: (a) refer such matter to the appropriate complaint resolution procedure as established by District Board policies; or (2) shall refer such matter to the appropriate District employee or shall investigate such matters and within a reasonable time inform the Board of the results of such action. Substantive complaints include, but are not limited to, allegations of possible wrongdoing by staff and/or students, complaints of possible criminal behavior by staff and/or students, and complaints about personnel which, if true, would require action by the Superintendent and/or administration. The Board retains the right to investigate complaints about the Superintendent. The Superintendent shall refer all substantive complaints from staff and/or
third parties regarding a Board member to the Board President for review and action. If the complaint is about the Board President, the Superintendent shall refer the complaint to the next most senior non-implicated Board officer or, if necessary, Board member.

III. Compensation and Benefits

3.1 **Salary.** The District shall provide the Superintendent with an annual salary in the sum of Two Hundred Ninety-Five Thousand and no/100 Dollars ($295,000.00), which shall be paid to the Superintendent in equal installments consistent with the Board’s policies and in accordance with the District's normal payroll practices.

3.2 **Salary Adjustments.** In the annual budget adopted for each subsequent year of this Contract, at any other time at which the Board is considering salary adjustments for administrative personnel, or at any other time determined by the Board during the term of this Contract, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the base salary set forth pursuant to Section 3.1 of this Contract except by mutual agreement of the two parties. Beginning July 1, 2020 and for each subsequent Contract Year during the term of this Contract or any extensions thereof, if fulltime classroom teachers' salaries are increased in the adopted annual budget, the Superintendent’s base salary, set forth in Section 3.1 of the Contract, shall be increased by the same percentage as fulltime classroom teachers' salaries are increased for that budget year. Such adjustments shall be made pursuant to a lawful Board resolution and the parties agree to provide their best efforts and reasonable cooperation to execute a new contract or addendum incorporating the adjusted salary.

3.3 **Vacation, Non-Duty Days, Holidays and Local Sick Leave**

3.3.1 **Duty and Nonduty Days.** The Superintendent shall work two hundred twenty-seven (227) duty days during each year for which this Contract is in effect, in accordance with the professional employment calendar adopted by the Board for each such year. The professional employment calendar runs from July 1 of a particular year through June 30 of the subsequent year. This number of duty days is the same as for administrative employees on two hundred twenty-seven (227) day contracts. The Superintendent may take the same number of nonduty days authorized by policies adopted by the Board for administrative employees on two hundred twenty-seven (227) day contracts. All nonduty days for a specific year of the professional employment calendar will accrue to the Superintendent on July 1. The Superintendent may accumulate up to thirty (30) accrued but unused nonduty days. At the Superintendent's choice, subject to approval by the Board President, the Superintendent may take these nonduty days in a single period or at different times, and they will be taken at such time or times as will least interfere with the performance of the Superintendent’s duties as set forth in this Contract.

3.3.2 **Holidays.** The Superintendent shall observe the same District holidays as provided by Board policies for administrative employees on two hundred twenty-seven (227) day contracts.
3.3.3 **Accumulated and Accrued but Unused Nonduty Days.** At the sole option of the Superintendent, either at the end of each Contract Year, at retirement, or when the Contract is terminated, either voluntarily or involuntarily, the District shall pay in a lump sum to the Superintendent any accrued but unused nonduty days (up to thirty 30 days) at the Superintendent's Daily Rate (Defined Below in Section 3.9) of pay as of the payment date. Payments for accrued but unused days upon contract termination shall be paid to the Superintendent in the form of a lump-sum payment to be made within ten (10) business days of the Superintendent's last day of employment with the District with said leave being calculated at the Daily Rate at the time of separation from service as Superintendent; provided, however, that the District shall make such lump-sum payment no later than the later of the last day of the calendar year of the date of the Superintendent's cessation of employment or retirement or the 15th day of the third month following the date of the Superintendent's cessation of employment or retirement.

3.3.4 **Local Sick Leave Days.** The Superintendent is hereby granted the greater of (1) ten (10) days each year of the Contract, or (2) the same local sick leave days as authorized by Board policies for administrative employees on two hundred twenty-seven (227) day contracts. All sick leave days for a specific year of the professional employment calendar will accrue to the Superintendent on July 1. An amount equal to any earned, but unused, days of sick leave remaining at the end of each calendar year during the term of this Contract shall be paid by the District, at the Daily Rate defined herein, as a non-elective contribution to the Supplemental Retirement Plan described in Section 3.13 of the Contract. In the event the Superintendent retires, his contract with the District is non-renewed at the end of the contract term and he is no longer employed by the District in any capacity, or he is terminated, voluntarily or involuntarily, the Superintendent will be paid for accumulated but unused local sick leave with said leave being calculated at the Daily Rate at the time of separation from service. Such payment shall be made in the form of a lump-sum payment as soon as administratively practicable following the date of retirement or termination of employment; provided, however, that the Superintendent shall be paid such payment no later than the later of the last day of the calendar year of the date of the Superintendent's cessation of employment or retirement or the 15th day of the third month following the Superintendent's cessation of employment or retirement.

3.3.5 **Vacation Days.** In addition to the Non-Duty and Sick Leave Days granted in this Section 3.3, the District shall provide the Superintendent twenty (20) days of annual vacation for each year of the Contract. All vacation days for a specific year of the professional employment calendar will accrue to the Superintendent on July 1. Earned vacation days shall be accumulated and carried over from year to year, without limitation. An amount equal to any earned, but unused, days of vacation remaining at the end of each calendar year during the term of this Contract up to a maximum of ten (10) days shall be paid by the District, at the Daily Rate defined herein, as a non-elective contribution to the Supplemental Retirement Plan described in Section 3.13 of the Contract. The Superintendent shall have no right to receive such contributions in cash except as described in Section 3.13 of the Contract. At the Superintendent's choice, subject to approval by the Board President, the Superintendent may take these vacation days in a single period or at
different times, and they will be taken at such time or times as will least interfere with the performance of the Superintendent’s duties as set forth in this Contract.

3.4 Professional Growth. The Superintendent shall devote the Superintendent’s time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent’s active attendance at and participation in appropriate professional meetings at the local, regional, state and national levels. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent, with prior notification to the Board President, to attend such seminars, courses or meetings, provided that such attendance does not interfere with the performance of his duties as Superintendent. During the Superintendent’s employment with the District, the District shall pay the Superintendent’s basic membership dues to the Texas Association of School Administrators, Texas School Alliance, the American Association of School Administrators, the Association of Supervision and Curriculum Development, and other organizations as he deems appropriate for the performance of his duties, subject to approval by the Board. Any reimbursements made pursuant to this Section 3.4 shall be made in accordance with the requirements and procedures set forth under Section 3.6.

3.5 Automobile/Automobile Allowance. The District shall pay the Superintendent an amount of One Thousand Dollars ($1,000.00) per month during the Superintendent’s employment with the District to pay for costs associated with operating his vehicle within the District. This monthly payment shall be made in equal periodic payments at the same time as payment of the Superintendent’s base salary. The Superintendent may be reimbursed for out-of-District travel in his vehicle at the District’s approved reimbursement rate for travel on District business in accordance with Section 3.15.

3.6 Civic and Professional Activities. The Superintendent is encouraged to attend and participate in meetings and events involving local community groups such as Rotary Club, Kiwanis Club, Chamber of Commerce, Ector County Education Foundation, Region 18 Education Service Center and similar groups as a representative of ECISD. Meetings and events that will incur a cost or fee will be paid by the District. The Superintendent shall also attend and participate in meetings outside the District area as the representative of the District. These include, but are not limited to, such meetings as the Texas School Alliance, the Texas School Coalition, and meetings on legislative issues. He shall also attend and participate in appropriate professional meetings at the state and national levels such as, but not limited to, the Mid-Winter Conference, meetings of the Texas Association of School Boards and the National School Boards Association, meetings of the Texas Association of Administrators, meetings of the American Association of School Administrators, Chiefs for Change and meetings of the Association of Supervision and Curriculum Development. The District will pay or reimburse the Superintendent for the reasonable and necessary costs associated with attendance including airline tickets, costs of travel by car, hotel and accommodations, meals, rental cars, taxis and other similar expenses. Prior to all such travel, the Superintendent will advise the Board President. The Superintendent shall comply with all policies, procedures and documentation requirements regarding these
expenses in accordance with Board policies and established procedures, as required by the District’s independent auditors, and/or state and federal laws and regulations regarding such business expenses, which shall be subject to review by the District’s independent auditors. Any reimbursements that are made under this Section 3.6 shall only be made if:
(i) such reimbursement is excludable from the Superintendent's gross income, (ii) the Superintendent has provided the appropriate vouchers, bills and receipts to the District no later than February 1st of the year following the year that the expense was incurred and (iii) the policies, procedures and documentation requirements set forth in the prior two sentences have been satisfied.

3.7 Information Technology/Communications Allowance. The District shall pay the Superintendent an amount of Three Hundred Dollars ($300.00) per month during the Superintendent’s employment with the District for an information technology/communications allowance to provide him with a portable cellular telephone and/or personal digital assistant (PDA) with nationwide coverage, computer, fax machine, internet communication, or any other technical equipment for the Superintendent's use at his home for District business and personal use. This payment shall be made in equal periodic payments at the same time as payments of the Superintendent’s base salary. The Superintendent shall maintain a personal account for information technology/communications service provided under this section and shall not open accounts in the name of the District. In addition, the District will pay the Superintendent Three Thousand Dollars ($3,000.00) on or before August 1, 2019, to compensate him for the initial cost of acquiring appropriate technology. The Superintendent may, in the Superintendent's discretion, purchase new technology every two years during the term of this Contract for the advantages offered by the then current technology. The District will reimburse the Superintendent for the cost of this replacement technology up to $2,000. Upon separation from employment, all such technology/equipment remains the property of the Superintendent.

3.8 Annual Physical Examination. The Superintendent shall undergo an annual physical examination performed by a licensed physician mutually acceptable to the Board and the Superintendent. The examination will determine the Superintendent's continuing physical fitness to fulfill the duties and responsibilities of the position and may include laboratory analysis of blood, urine, stress, EKG and other procedures as deemed appropriate by the licensed physician. The physician shall submit a confidential statement to the Board President who will report to the Board verifying the Superintendent’s fitness to perform the Superintendent’s duties and copies of all statements shall be maintained as confidential medical records to the extent permitted by law. The Superintendent shall execute all necessary authorizations required by law (including, without limitation, the Health Insurance Portability and Accountability Act of 1996, as amended) to permit the Board to review any such physician statements. The District shall pay all costs of each annual physical examination during the Superintendent's employment with the District.

3.9 Daily Rate. For purposes of this Contract, the Superintendent’s Daily Rate shall be calculated by dividing the Superintendent’s current salary under Sections 3.1 and 3.2 of the Contract by 227.
3.10 **Health Insurance.** The District shall pay the full premiums for health insurance, including dental and vision insurance coverage for the Superintendent for coverage pursuant to the group health plan provided by the District for its administrative employees.

3.11 **Long Term Disability Insurance.** For each Contract Year during which this Contract is in effect, the District will reimburse the Superintendent for the actual cost of the premium for a long term disability policy of his choice up to Three Thousand and no/100 dollars ($3,000.00) per year.

3.12 **Life Insurance.** For each Contract Year during which this Contract is in effect, the District shall pay the annual premium up to three thousand and no/100 dollars ($3,000) toward the purchase of a whole life or term policy on the life of the Superintendent. The whole life or term insurance policy provided hereunder shall be owned by the Superintendent, with the Superintendent having the sole right to determine the beneficiary(ies) under the life insurance policy. In lieu of receiving an annual premium for life insurance, the Superintendent may elect to have the District contribute Three Thousand and No/100 Dollars ($3,000.00) to the Section 403(b) and/or Section 457(b) plans established for the Superintendent’s benefit in accordance with Section 3.13 of this Contract.

3.13 **Annual Service Purchase.** Beginning on the last day of the first year of the Term of this Contract (June 30, 2020) and on each June 30th thereafter during the Term, the District shall contribute to the Supplemental Retirement Plan an amount equal to the cost to purchase one (1) year of out-of-state service with the Teachers Retirement System of Texas (TRS), but no less than 71.43% of the 2019 contribution limit for an employer contribution to a 403(b) plan under Section 415(c) of the Internal Revenue Code (the “Code”), as indexed each year. If the Contract is terminated for any reason prior to June 30 of a year in which the contribution under this section has not been made, the District shall make the contribution on or before the date of termination. Prior to the date that the Superintendent has earned five (5) years of service with TRS, the cost of the service purchase shall be estimated as described herein. After the Superintendent has earned five (5) years of service with TRS, the cost of such service purchase shall be determined by obtaining a cost calculation from TRS. The estimated cost to purchase one (1) year of out-of-state service with TRS shall be made by multiplying (a) the lesser of the Superintendent’s creditable compensation as reported to TRS for the applicable TRS plan year, or the current year compensation limit under Section 401(a)(17) of the Internal Revenue Code (the “Code”), by (b) the actuarial factor for purchasing one year of out-of-state service under Figure 34, Table 1 of Texas Administrative Code Title 34, Part 3, Chapter 25, Subchapter P, Rule §25.302(h) for a TRS member at the age of the Superintendent when he will first be eligible to purchase such out-of-state service with TRS.

The Supplemental Retirement Plan shall consist of an employer paid 403(b) plan, a 457(b) deferred compensation plan and a 401(a) defined contribution plan. Any payments to the Supplemental Retirement Plan as provided in this Contract shall be made as employer paid non-elective contributions to the plans unless such payments exceed the limits under the Code, as described herein. Contributions to the Supplemental Retirement Plan shall first
be made to a Board paid plan established under Section 403(b) of the Code. To the extent that such contribution exceeds the employer paid contribution limit under the Code for a 403(b) plan, then the contribution shall be made to a 457(b) deferred compensation plan. To the extent that the remaining contribution exceeds the contribution limit for a 457(b) deferred compensation plan, the remaining contribution shall be made to a defined contribution plan established under Section 401(a) of the Code. To the extent that the remaining contribution exceeds the contribution limit for the 401(a) plan, then the Superintendent shall have the right to elect to receive the funds as cash or as an elective deferral to a 403(b) or 457(b) plan.

Each plan shall provide that the contributions made to the plan and all earnings thereon shall at all times be fully vested in the Superintendent. Each of these plans shall be established under a written plan document that meets the requirements of the Internal Revenue Code (the "Code") and such documents are hereby incorporated herein by reference. The funds for the plans shall be invested in such investment vehicles as are allowable under the Code for the applicable type of plan and such investment vehicles shall be chosen solely by the Superintendent.

3.14 Texas Teacher Retirement System. As supplemental salary for performance of Superintendent duties, the District shall pay to the Superintendent an amount equal to the Superintendent's portion of the monthly contribution to the Texas Teacher Retirement System (TRS) in the percentage amount required by the Texas Teacher Retirement System for the account of the Superintendent. The salary supplement shall include both the retirement and healthcare parts of the member contribution. This additional salary supplement for services rendered as Superintendent shall be paid to the Superintendent by regular monthly payroll installments and shall be reported as creditable compensation to TRS.

3.15 Expenses. The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. The District agrees to pay the actual and incidental costs incurred by the Superintendent for travel outside of Region 18 Education Service Center. Such actual or incidental costs may include, but are not limited to, gasoline, hotels and accommodations, meals, rental car, and other expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements in accordance with Board policies.

3.16 Additional Retirement Contributions. For each payroll period beginning with the term of this Contract and for each year thereafter, and provided that the Superintendent executes a salary deferral agreement in accordance with the requirements of Sections 403(b) and/or 457(b) of the Internal Revenue Code (the "Code") in at least the amount of the salary deferral contribution specified herein, the District shall add to the Salary of the Superintendent the amount of sixty percent (60%) of the maximum contribution allowable under Section 402(g) of the Code at the beginning of the Contract year, as indexed, including the age 50 catch-up, if applicable. One-twelfth of this amount shall be paid as a monthly salary deferral contribution, at the election of the Superintendent, to a plan
established by the District under Section 403(b) and/or Section 457(b) of the Code. Such plans shall include investments as allowed under Sections 403(b), 403(b)(7) and/or 457(b) of the Code, respectively, and the investments for the Superintendent’s accounts shall be solely at his discretion. The Superintendent shall at all times be 100% vested in his account under the 403(b) and/or 457(b) plan. These contributions shall be reported as "creditable compensation" by the District for purposes of the Teacher Retirement System of Texas. No payments under this Section shall be made after the Superintendent’s employment terminates.

IV. Annual Performance Goals

4.1 **Development of Goals.** The Superintendent shall submit to the Board each year, for the Board’s consideration and adoption, a preliminary list of goals for the District. The goals approved by the Board shall at all times be reduced to writing ("District Goals") and shall be among the criteria on which the Superintendent’s performance is reviewed and evaluated. The District Goals approved by the Board shall be specific, definitive and measurable, to the extent feasible. The Board agrees to work with and support the Superintendent in achieving the District Goals.

4.2 **Timing of Goals.** The Board and the Superintendent do hereby agree that the first goals for the District shall be developed between the Board and the Superintendent, reduced to writing, and approved by the Board on or before November 1, 2019. On or before November 1 of each year under the term of this Contract, the Board and the Superintendent do hereby agree to review, revise, approve, and reduce to writing the District goals.

V. Review of Performance

5.1 **Time and Basis of Evaluation.** The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year by the end of October during the term of this Contract, and at such other times as deemed necessary and appropriate by the Board. The evaluation and assessment shall be in accordance with Board policies and state and federal law, and shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent’s job description, Board policies, lawful Board directives, the District Goals adopted in Paragraphs 4.1 and 4.2, and as prescribed by law. A mid-year conference between the Board and the Superintendent concerning these goals shall be held in March of each year.

5.2 **Confidentiality.** Unless the Board and Superintendent expressly agree in writing, the evaluation of the Superintendent shall at all times be conducted in closed session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent’s evaluation with their respective legal counsel.

5.3 **Evaluation Format and Procedure.** The evaluation format and procedure shall be in accordance with the evaluation instrument selected by the Board, the Board’s policies, state law and with the input of the Superintendent. In the event that the Board determines that
the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation within thirty (30) days of receipt of the written evaluation from the board. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. Within sixty (60) days of the delivery of the written evaluation to the Superintendent, the Board shall meet with the Superintendent to discuss the evaluation. The Board shall devote a portion of, or all of, one executive session annually to a discussion of the working relationship between the Superintendent and the Board. In the event that the Board deems that the evaluation instrument, format and/or procedure is to be modified by the Board, and such modifications would require new or different performance expectations, the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

VI. Renewal, Nonrenewal or Termination of Employment Contract

6.1 Renewal/Nonrenewal. Renewal or nonrenewal of this Contract shall be in accordance with Board policy and applicable state and federal law.

6.2 Mutual Agreement. This Contract shall be terminated by the mutual agreement of the Superintendent and the Board in writing, upon such terms and conditions as may be mutually agreed upon.

6.3 Retirement or Death. This Contract shall be terminated upon the retirement or death of the Superintendent.

b. Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication from the Board; provided, however, the terms and conditions of this paragraph shall not justify good cause unless the Board has provided the Superintendent a reasonable opportunity to remediate any incompetency or inefficiency;

m. Assault on an employee or student;
n. Knowingly falsifying records or documents related to the District’s activities;
o. Conscious misrepresentation of material facts to the Board or other District officials in the conduct of the District’s business;
p. Except as otherwise set forth herein, failure to fulfill requirements for superintendent certification;

r. Any other reason constituting “good cause” under Texas law.

6.6 **Termination Procedure.** In the event the Board proposes the termination of this Contract for “good cause,” the Superintendent shall be afforded all the rights as set forth in the Board’s policies, and state and federal law.

6.7 **Termination for Convenience.** If the Board terminates the Superintendent for convenience, the parties agree that the District shall pay the Superintendent a lump sum payment in an amount equal to the amount to fully compensate the Superintendent for the entire value of all salary and benefits due under the Contract for the remaining term of the Contract. In addition, the District shall reimburse the Superintendent for all reasonable costs and attorneys’ fees incurred by the Superintendent to enforce this Contract.

6.8 **Duties, Compensation, and Release Pursuant to Chapter 39 Action.** If, within the first two (2) years of the Term of this Contract, while the Superintendent is still employed under this Contract, the District receives notice that the District is subject to commissioner action under Section 39A.001 of the Texas Education Code and that the commissioner may appoint a board of managers under Chapter 39A.004 and appoint a successor superintendent, then the Superintendent shall have the option to terminate this Contract and said termination shall be considered to be by mutual agreement. Upon said termination, the Superintendent agrees to immediately begin to use his best efforts to secure employment similar to that of which he is leaving. The District agrees to continue to pay the
Superintendent’s salary and benefits as provided in this Contract following such termination until the Superintendent begins new employment in a similar position, for a maximum of thirty (30) months. At the end of the said thirty-month period, all obligations of the District under this paragraph shall terminate.

6.9 Contingencies related to Reconsideration of Chapter 39 Action. If the District receives notice that the District is subject to commissioner action under Section 39A.001 of the Texas Education Code and the Texas Education Agency and/or the Commissioner of Education provide the District with written notice of a decision to not require the appointment of a board of managers and the appointment of a successor superintendent, the following contingencies shall occur as applicable:

i) If written notice of such decision occurs before the Section 6.8 payment has been made to Superintendent, then no Section 6.8 payment shall be made to Superintendent and this Contract shall remain in effect as written;

ii) If the written notice of such decision occurs after Section 6.8 payment(s) has/have been made to Superintendent, then such payments shall be considered made under this Contract and this Contract shall be revived and considered to be in full effect as written;

iii) If the Texas Education Agency and/or the Commissioner of Education subsequently reconsider and/or changes its decision and decides to appoint a board of managers and appoint a successor superintendent, then the Section 6.8 payments shall be immediately reinstated and made to the Superintendent in accordance with 6.8 of this Contract.

VII. Miscellaneous

7.1 Controlling Law and Venue. Texas law shall govern construction of this Contract. The parties agree the venue for any litigation relating to the Superintendent’s employment with the District, including this Contract, shall be in the county in which the District’s administrative building is located. If litigation is brought in Federal court, the parties agree the venue shall be the U.S. District Court, Western District of Texas, Midland-Odessa Division.

7.2 Complete Agreement and Amendment. This Contract embodies the entire agreement between parties hereto and supersedes all other agreements and understandings, both written and oral. Any additions, deletions, or modifications to the terms and conditions of this Contract, including but not limited to changes in the term of the Contract or the annual base salary of the Superintendent, shall be made only by written addendum or new contract signed by both parties.

7.3 Conflicts. In the event of any conflict between the terms, conditions, and provisions of this Employment Contract and the provisions of the Board’s policies, or any permissive state or federal law, then, unless otherwise prohibited by law, the terms of this Contract shall take precedence over the contrary provisions of the Board’s policies or any such permissive law during the term of the Contract.
7.4 **Savings Clause.** In the event any one or more of the provisions contained in this Contract shall, for any reason, be held invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

7.5 **Section 409A.** The parties intend that this Contract be interpreted in a manner to be exempt from the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and, where not so exempt, to be in compliance therewith. The Superintendent (and/or the Superintendent's beneficiary, as applicable) shall have no right to dictate the taxable year in which any payment hereunder that is subject to Section 409A of the Code should be paid. Notwithstanding anything to the contrary, to the extent required by Section 409A of the Code: (a) the amount of expenses eligible for reimbursement or to be provided as an in-kind benefit under this Contract with respect to a calendar year may not affect the expenses eligible for reimbursement or to be provided as an in-kind benefit in any other calendar year; (b) the right to reimbursement or in-kind benefits under this Contract shall not be subject to liquidation or exchange for another benefit; and (c) no reimbursements shall be made after the last day of the calendar year following the calendar year that the expense was incurred.
