REAGAN OR HAYS ACADEMY

*** Due to COVID restrictions, the process for Reagan and Hays has been changed. ***

After submitting your application, you are no longer required to print the application nor deliver it to either of these schools. We will take care of this internally. If you are applying for grades 1-5 and are new to ECISD, please gather the following information and have readily available when you are contacted by our office.

1. Copies of report cards, both current and all previous grades. Students must be at grade level or above (80) in all subjects, have a history of 95% attendance (no more than 10 absences), including tardies and have acceptable behavior (S and E);
2. Copies of any standardized test results, such as STAAR, IStation, or CogAT
3. Copies of any documents indicating Gifted & Talented (GT) identification

Students who meet the above criteria will be scheduled to take a standardized test to measure the basic skills needed to be successful in our academic program. Applicants who score at or above the 50th percentile will be 'eligible' to run through the lottery process for our program.

Test dates: By appointment only:

Kindergarten: January 19th - January 22nd

Grades 1 to 5: January 23rd
