Welcome to Gale Pond Alamo Library!

I have been teaching for the last 28 years. 21 of those years have been in the library and 7 years were in the junior high and elementary classrooms. This year is going to be different, but I'm excited about sharing the library with you whether it's in person or online.

When I'm not at school, I'm at my ranch near Goldsmith where I get to spend time outside working with cattle and horses. I have 2 grown daughters. Kalinda teaches high school science in Kansas and Kristal is a musician in Lubbock.

I'm looking forward to a great school year!
