Parent Request for Walk/ Drive home or Sibling Pick up (Elementary)

Parent/Guardians,

For the safety of your child, we request that the following guidelines be followed daily if you choose to have your child walk/drive home after school:

- Students will not enter any other UT Permian Basin building without approval from STEM Academy administrators.
- Students walking/driving home will be dismissed later in the dismissal process. With timely notification, parents still have the option of picking up students from school.
- Students are only allowed to take home siblings.
- All requests will be subject to approval by district/ campus administration.
- Violation can result in loss of privilege.
- All requests to drive must be accompanied by STEM Academy parking permit.

Please provide requested information below, for each student/ sibling, and initial stating that you have read and agree to the statements below.
