Odessa, TX 79762

2021-22 Parent and Campus Involvement Policy

Ireland Elementary School will involve parents in the partnership and development of the Title I Plan, as well as the process of school review and improvement.

Parents will have the opportunity to work together and work collaboratively with the CIT in a professional, organized and timely manner to plan, review and improve the Title I (PL 114-95, section 1116 (b) (1)).

Each year, the school will convene meetings in which all parents of participating students are invited. The purpose is to inform the parents of the school's participation in the Title I program and of the parents' right to be involved in the school. Some of the meetings will be held in the following settings: PTA, Parent/Teacher Conferences, Meet the Teacher Night, Open House, grade level parent involvement activities, and Parent Workshops under section 1116 of the ESSA.

Parents will be provided timely information and available information through Class Dojo, Parent Link, flyers, notes, home visits, campus website, campus Facebook page, school marquee, and phone calls (as needed).

Parents will be provided with the school performance profiles and assistance with interpreting their child's individual assessment results.

Parents will be provided a description and explanation of the curriculum in use at the school, the types and forms and assessments used to measure students' progress, and the proficiency levels students are expected to meet.

Parents will be provided with opportunities for regular meetings to formulate suggestions, share experiences with other parents, and to participate in decisions to the education and behavior of their children under section 1116 of the ESSA (PL 114-110, section 1116 (b) (1)).

Parents will receive a timely response to their suggestions and questions.

Parents will work collaboratively in revising the content and effectiveness of the parental involvement policy as necessary.

Ector County ISD does not discriminate on the basis of gender, age, race, nationality, religion, disability, socioeconomic standing or non-proficiency in English language skills in providing educational services for students' benefits.
